Composing Music

Composing Music leads students step by step through the process of composition from simple sound stories to more complex compositions with rhythms, harmonic backings and melodies. Each composition introduces students to a different style and mode of working, and includes full explanations of technical terminology where necessary. Students will be using tuned and untuned percussion, keyboards and voices. For the more complex compositions, keyboards with multi-track facilities are advisable. The CD accompanying this pack provides stimulus for students and includes examples where completed compositions are broken down so that students can hear how a number of individual parts make up the entire piece. 66 pages.

Includes topics like: • Jungle composition • *Alone In the Jungle* • *The Jungle Story* • *Jungle Writing* • *Shock-horror!* composition • *Shock-Horror!* • *A Horrible Beginning* • *Horror upon Horror* • *The Horror Gets Closer* • *The Final Shock* • *Spy theme composition* • *Spy Theme – Mission One* • *Spy Theme – Mission Two* • *Spy Theme – Mission Three* • *Spy Theme – Mission Four* • *Spy Theme – Final Mission* • *Unknown territory composition* • *Unknown Territory – Day One* • *Unknown Territory – Day Two* • *Unknown Territory – Day Three* • *Unknown Territory – Day Four* • *Unknown Territory – Day Five* • *Calypso composition* • *Calypso Rhythms* • *Calypso Melody* • *Calypso Call* • *Ramps composition* • *Chart Ramps* • *Rhythmic Ramps* • *Romantic Ramps* • *Ground composition* • *Ground Level* • *Air on the Ground* • *Flying over the Ground*

Using Maths in Everyday Life

Using Maths in Everyday Life is a pack that provides Year 10 and 11 students with 'small chunks' of Maths that are related to their everyday lives – now and in the future. It allows for them to become more capable in Maths, while giving them insights into the costs involved in living in the world today. They are given the opportunity to look at and discuss various moral and ethical concepts and then to weave those concepts around the Maths they are asked to do. The work is suitable for lower ability students in the final year of compulsory education (Year 10). The pack can also be used with Year 11 lower ability students and is designed for use either in Maths or PSHE. 72 pages.

Includes topics like: • Home or Away? • Decorating a Room • Measuring for Floor Coverings • Buying Household Items • Renting a Home of Your Own • Buying a Home of Your Own • A Life of Poverty • Hire Purchase Matters • Saving for a Rainy Day • Post Office Problems • Using the Bank • Earning a Living • Rewards from Teacher • Lottery Facts and Figures • Budgeting • I Need a Holiday • Holiday Money • A Night on the Town • A Day Out • A New Wardrobe • Wedding Day 1956 • Wedding Day 2002 • Bringing Up Baby • Loans for Any Purpose • It's Good to Talk
